Austin,

That's really far in the future, but I should be available on those days.

Brian

Brian A. Orzel
Senior Regulatory Project Manager, Civil Engineer
NY District US Army Corps of Engineers
Regulatory Branch
26 Federal Plaza, Room 16-406
New York, New York 10278-0090

Please note in order to ensure our continuity of operations and improve the timeliness of permit application reviews due to the on-going COVID-19 virus, the New York District, U.S. Army Corps of Engineers is requiring that all new permit applications be submitted to the New York District electronically at CENAN-R-Permit-App@usace.army.mil. Until further notice, the New York District will no longer process any paper permit applications.

Subject: [Non-DoD Source] Battaglia

Hi Brian,

Stephanie is out for the next couple days but EPA has been contacted by Battaglia and a date change for the inspection has been requested. It now looks like he would want us to meet him for the inspection during the week of 5/22. Friday will not work for one of our attorney's, but I believe 5/22-5/25 works for everyone else (will need to confirm with Stephanie on that).

If you have any questions we can have a quick call today or later this week, but Stephanie should be back next Monday.

Thanks,

Austin Jepsky
